

Proclamation

Be it known that

Whereas,

The City's Grant for Technology Opportunities (GTOs) provides matching funds for projects connecting Austin's citizens with information technology, computers and the Internet; and,

Whereas,

Ten winning projects have received grants this year for programs that will enable adults with disabilities to get specialized computer workstations for job hunting, disadvantaged youth to be introduced to robotics, rocketry, aquatic ecology and solar energy; and, non-English speaking families to receive bilingual computer training, to name a few; and,

Whereas,

The GTOs program was designed by the Austin Community Technology and Telecommunications Commission to support digital technology projects that show promise of benefiting our community;

Now, Therefore,

*I, Will Wynn, Mayor of the City of Austin, Texas,
do hereby proclaim*

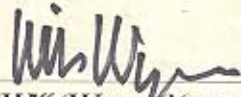

August, 2008

as

GTOs Month

in Austin.

In witness whereof, I have hereunto set my hand and caused the seal of the City of Austin to be affixed this 21st Day of August in the Year Two Thousand Eight

Will Wynn, Mayor, City of Austin
